

Claim 1 - Canceled.

Claim 2 - Canceled.

Claim 3 - New.

Claim 4 - New.

Claim 5 - New.

Claim 6 - New.

Support for new claims 3-6 is as follows:

- Column 2, lines 28-31;
- Column 2, lines 33-63 in particular lines 36-38, 43-48, 49-53 and 54-63;
- Column 3, lines 34-56;
- Figures 1a and 1b; and
- Column 4, lines 22-64.

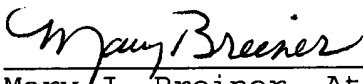

The present application is a division of pending reissue application Serial No. 10/233,546 filed September 4, 2002. Claims 3-6 were previously presented in Serial No. 10/233,546. The Examiner required election between claims 1-2 and 3-6. Since claims 1-2 were as originally present in the patent, claims 1-2 were stated by the Examiner to be constructively elected in the parent reissue application. Claims 1-2 are retained in the parent reissue application and are stated to be allowed. Examination of claims 3-6 is now requested.

Favorable consideration of the reissue application is requested.
